Updated 9-8-23

Sto-Rox Upper Elementary is committed to parental involvement in the Title I Program and adheres to regulations stated in Section 1010, *Parent and Family Engagement*, of Every Student Succeeds Act (ESSA).

Annual meetings will be held to inform parents of their school's participation in the Title I program, an overview of the Title I reading support services as well as when the support will occur, and parents' rights in the development, review, and improvement of the Parent Involvement Plan.

Sto-Rox Upper Elementary will work with the District in the planning and implementing effective academic support programs and parent involvement programs by:

1. Providing materials to help parents with their child's achievement
2. Committing to communicating with and working with parents as equal partners
3. Providing opportunities for meetings such as parent-teacher conferences to occur in various formats and to permit two-way communication between home and school
4. Using school-parent compacts to outline responsibilities of the school staff, parents, and students in striving to raise achievement and explain how an effective home-school partnership will be developed.

Sto-Rox Upper Elementary will build strong parental and family involvement by:

1. Communicating a description and explanation of grade level curriculum, forms of academic assessment used to measure student progress, and proficiency levels that students are expected to meet.
2. Scheduling meetings at a variety of times, such as mornings and evenings, in order to maximize the opportunities for parents to participate in school-related activities.
3. Participating in an annual survey to provide information to improve the effectiveness of instruction and services to participating children.
